Introduction:

Welcome to the Central Library!
The Mukeshbhai Patel Central Library, which is the heart of the Institute, was established in 2007. Cognition leads to the generation of knowledge. The spacious building of about 45000 square feet floor area is a central location to all faculty divisions on the campus. 500 Library users can sit in the Library. The Central Library provides all the study and research materials for the Institute's users. The collection contains about 36521 Books, thousands of e-books, and bound volumes of Journals. The Library subscribes to 126 print journals,

over 25000 e-journals, and 27 online databases. Other sources include video, audio, CD, Question papers, dissertations, standards, reports, and rare books.
